West Morris Area YMCA Sunscreen Policy and Application Permission Slip

The West Morris Area YMCA Camp Summer Horizons requires written permission from parents/guardians to assist campers with applying sunscreen.

It is the parent/guardian's responsibility to apply sunscreen to their child before releasing their child to the care of the West Morris Area YMCA.

Please send in sunscreen (labeled with your child's name) in your camper's bag each day. If your child has sensitivity/allergies to certain sunscreens, please be sure to note this on the health and wellness form.

When necessary, a counselor will assist each child that may be unable to personally apply his/her own sunscreen. When a child needs such assistance, the counselor will apply sunscreen on only the exposed parts of the child's skin. Children will be requested to apply sunscreen along their suit lines. Also, the counselor will only apply sunscreen while another counselor is present.

As parent/guardian, I give the West Morris Area YMCA Staff permission to assist my camper in applying sunscreen.
